Dear Patient,

Due to policy provisions in your contract with your insurance carrier, Smith Health and Wellness is obligated to collect all patient responsibility balances.

If your insurance policy has provisions such as deductibles, coinsurances, or copayments please note that these are provisions that have been agreed to between you and your carrier. We cannot legally discount fees after their submission on your behalf to your carrier.

If we are networked with your carrier, we have an additional contractual obligation to collect the balances as outlined by your carrier. Writing off patient responsibility balances could jeopardize our contract with your carrier.

If a portion of your fees are applied to an annual out of pocket maximum, and we do not collect that fee, your out of pocket maximum has not been correctly calculated.

Additionally, for those Medicare patients that may have any medical services that are eligible under Medicare, Smith Health and Wellness is legally obligated to collect the patient responsibility coinsurance, copayment or deductible under the terms of the anti-kickback laws.

We sincerely regret if any of these regulatory provisions cause you any inconvenience, but we are bound by all provisions of insurance policy and federal law. If you have any issues or concerns with your insurance, we will be more than happy to assist in the resolution of those issues or concerns. Please feel free to contact us with any questions you may have or any assistance you may require to fully understand these provisions.

Yours in Health!

Attorney Lien

I hereby authorize the above doctor to furnish you. my attorney, with a full report of his examination, diagnosis, treatment, prognosis, etc., of myself in regard to the accident in which I was involved or injury I suffered.

I hereby authorize and direct you, my attorney, to pay directly to said doctor such sums as may be due and owing him for professional services rendered me both by reason of this accident and by reason of any other bills that are due his office and to withhold such sums from any settlement, judgment or verdict as may be necessary adequately to protect said doctor.

Further, I hereby acknowledge that I am on immediate notice of and understand my rights under the Worker's Compensation Act, specifically, 77 P.S. § 531(f.1)(7), relating to the prohibition against said doctor holding me liable for costs related to care or service rendered in connection with a compensable injury as may be determined by a Utilization Review Organization, and/or the Motor Vehicle Financial Responsibility Law, specifically, 75 Pa. C.S. § 1797(b)(7), relating to the prohibition against said doctor collecting payments from me for medically unnecessary treatment, services or merchandise as may be determined by a Peer Review Organization or court.

By signing this document, I hereby give a lien on my case to said doctor against any and all proceeds of any settlement, judgment or verdict which may be paid to you, my attorney, or myself as the result of the injuries for which I have been treated or injuries in connection therewith, notwithstanding any and all rights that I may have under either , or both, the Worker's Compensation Act, specifically, 77 P.S. § 531(f.1)(7), and the Motor Vehicle Financial Responsibility Law, specifically, 75 Pa. C.S. § 1797(b)(7). I hereby further acknowledge that this authorization could be construed as contravening certain rules, regulations and common law of the Commonwealth of Pennsylvania relating to the prohibition against private contracting for medically unnecessary services and, accordingly, I hereby waive my respective rights to challenge the validity or enforceability of this authorization or any term hereof based, directly, on any such contravention or alleged contravention.

I fully understand that I am directly and fully responsible to said doctor for all professional bills submitted by him for services rendered me and that this agreement is made solely for said doctor's additional protection and in consideration of his awaiting payment. And I further understand that such payment is not contingent on any settlement, judgment or verdict by which I may eventually recover said fee.

In the event my first party benefit auto insurance limits are exhausted, or my workers compensation coverage for medical benefits is terminated for any reason, I expressly agree to pay doctor his customary and reasonable charges for such services, and I hereby waive any and all rights I may have limiting doctor's fees to statutorily established fee schedules.

Doctor's forbearance and agreement not to collect fees for medical services until patient's automobile accident case settles shall toll the statute of limitations for any breach of contract or other claim Doctor may peruse against patient in the event either patient or his/her attorney refuses or fails to pay Doctor's bills in full from the settlement proceeds. The accrual date for purposes of the statue of limitations is the date patient or his/her attorney notifies Doctor in writing that the automobile accident case has settled. if the case does not settle and is either dropped by patient or proceeds to trail, the accrual date for purposes of the statue of limitations is the later of (a) the date patient of his/her attorney notifies Doctor in writing the case has been dropped, or (b) the date patient of his/her attorney notifies Doctor in writing of a jury verdict or other final disposition of the case by the trial court.

Notwithstanding and other form or agreement to the contrary, the terms of this Lien Agreement shall control and shall supersede any other such agreement or form.

In the event either patient or his/her attorney fails or refuses to pay the full amount of Doctor's services due, patient promises to pay Doctor legal interest on the amount due and owing, together will all collection costs, attorneys fees and witness fees that may be required to effect collection.
